# Welcome to Divorce with a **PLAN**

When contemplating a significant life choice, such as divorce, there are many life-changing aspects that should be considered. From the lifetime financial, retirement, and social ramifications of a divorce that should be well planned out. Your legacy in your children's eyes, your home and life you built in your neighborhood after investing in a marriage, it's important to take the time and **DIVORCE WITH A PLAN**.

**THE FINANCIAL** and social ramifications of divorce can be far-reaching, affecting not just your immediate situation but also your long-term stability. Proper planning can help mitigate some of these challenges, from dividing assets fairly to understanding the implications on retirement plans and financial security.

Equally important is **THE EMOTIONAL TOLL**. Divorces are stressful by nature, not only for the couple but also for the rest of the family members. Children, especially, can be deeply affected by divorce, and how the process is handled can significantly impact their perception and well-being. Investing time and effort into maintaining positive relationships and ensuring their emotional stability through the process is crucial.

Navigating the aftermath of divorce also involves redesigning **YOUR NEW LIFE** establishing new routines, building a different social circle, and perhaps relocating. Planning this transition strategically can help in creating a more fulfilling and stable future.

Ultimately, divorcing with a plan isn't just about the legal aspects; it's about approaching this life-changing event with mindfulness and consideration for all its multifaceted impacts.

# How do you Divorce With A **PLAN**?

## I do

- Know that my marriage was real.
- Acknowledge that we went through many joys, obstacles, triumphs, and growth.
- Acknowledge we invested into our marriage, our children and our future with the intent of living our entire lives together.

## I did

- Hit a point where I can no longer move forward together with my spouse.
- Notice that we have drifted apart and share nothing in common anymore.
- Come to the conclusion that I am going to put my joy, health and mental well-being first.

## I will

- Have financial security.
- Continue to build and have a great bond with my children and grandchildren.
- Be in a friendship and co-grandparenting relationship with my spouse.
- Feel at peace as the process will be based on truth, & fairness.

# CLIENT'S TESTIMONIAL

**“ CARMEN OSEHON ”**

I am returning client and as usual the Rouse law firm did not disappoint.

Ms Dasha was very professional. She paid attention to detail and came well prepared.

She answered all questions honestly and thoroughly. I'm well pleased with result.

I highly recommend her services.

**“ LINDA LAS VEGAS ”**

Divorce With A Plan has made a positive impact on my relationships as I have had two divorces.

They have been there for me and I can affirm that My Special Plan came from the Best of The Higher Knowledge!

**“ UCHE OMESUH ”**

I have never come across an Attorney who is so real, so authentic, so compassionate, so empathic and so patient and I know several of them.

Attorney Josephia Rouse is the BEST! She isn't bias at all. She keeps it real and gives you the absolute best legal advice you need.

We need may Attorneys like her in our world.

Our society will be so much better if all Attorneys are as competent as Ms Rouse.
